

When Other Platforms Go Down...

Valor Paytech Keeps You Up!

Introducing The Valor Paytech Virtual Terminal

Whether your POS goes down and stops working, your terminal malfunctions or gets physically damaged, or there's a power outage, Wi-Fi issue, or even a natural disaster, Valor Paytech's virtual terminal will provide you with the service and support you need to keep your business running. The Valor Paytech virtual terminal provided by Swipe4Free gives you the full functionality of a POS and terminal all on your desktop, laptop, and mobile devices.
